K.O. POLIO SCHEDULED FOR MARCH

The clinic for the third and final phase of the K.O. Polio program is scheduled for March 10, Albany High School auditorium, 603 Key Route Boulevard.

Chances of an epidemic of either Type I or Type II polio in the Bay Area are now "virtually non-existent," thanks to last fall's immunization of millions here, but the Type III form of the wild virus could still break loose and wreak havoc in the community. Dr. Philip Condit, Chief of the Bureau of Communicable Diseases of the California State Department of Public Health issued this grim reminder: "Type III polio is now THE polio to be concerned about in the Bay Area. In some parts of the country it appears to be on the increase. Although over the years it has usually caused about 25 per cent of all polio cases, in some areas in recent years, it has accounted for up to 50 per cent of cases recorded."

Although some medical authorities suspect a slight risk may accompany use of Type III vaccine by older persons, they say it would be less than one per million immunizations — if such a risk actually exists. "I personally don't believe any 'risk' exists," said Dr. Condit. "However, if it does, it is far less than that acceptable in the treatment and prevention of many diseases. For example, it has proven several times as safe as smallpox vaccine."

Albany's clinic is being coordinated by the Albany City Health Department. Volunteers have been recruited from the Alameda-Contra Costa Medical Association, Alameda County Nurses Association, Alameda County Pharmaceutical Association and East Bay Assistants Association. Local organizations volunteering include the PTA, the Albany Soroptimist Club, Albany Lions Club, Albany-North Berkeley Kiwanis Club, Albany Junior Chamber of Commerce, and the Albany Rotary Club.

ALBANY UNIT 292, American Legion Auxiliary Sewing Club will meet Friday, March 1 at noon at the home of Mrs. C. E. Johnson, 1025 Peralta.

AHS Cage Team Has Tournney Bids

The Albany Cougars, 1963 edition, brought home their first AB-DVAL basketball championship in six years. They accomplished this by compiling an 8-1 league record, with only cellar-dwelling Liberty remaining on the schedule.

The Cougars have already received invitations to two post-season tournaments. They also have a chance to go to the Tournament of Champions, at Harmon Gym in Berkeley. They accepted the bid to the Gridley Tournament which will be held March 7-9. In order for them to go to the Tournament of Champions they must defeat the winner of the CC-DVAL in a playoff. At the present time Clayton Valley and Pittsburg are tied for the lead in the CC-DVAL. The Cougars will face one or the other for the spot in the TOC.

This year's Cougars have featured the outstanding play of Dennis Black, who is presently averaging over 19 points a game. Others who have helped immensely in bringing the championship back to Albany High are Paul Luchesso, one of the outstanding guards in the league; junior Warren Lenhart; Student Body President Mike McNair, and Wayne Black.

Installation Of New Officers For Troop 12

Tom and Bob Fisher were advanced to second class; Larry Gaunt and Jerry Thauberger to first class; and Galen Wolf to Star during the court. Merit badges were awarded to Wolf, Sam Smith, Still, Dick Handlos, Dan Brandt, Keck and Gaunt.

Members of the troop will distribute literature on March 9 calling attention to the KO Polio clinics to be held the following day.

Del Wisenor New President Of Albany Little League

DEL WISENOR

Del Wisenor, an organizer of sports games for many years, has recently been appointed to serve as president of the Albany Little League for the 1963 season.

A resident of Albany for more than 34 years, Wisenor has been interested and active in sports since his junior and senior high school days where he was an outstanding athlete in baseball and track. An outstanding figure in industrial and recreation and welfare programs, he managed his first baseball team in 1930 when he took over the Albany Merchants with Fire Chief Gerald Browne as one of the players. Wisenor then helped manage the Rola Radio team which set a record in Class A Semi Pro with twenty one winning games out of twenty three. From here he man-

Resolution No. 63-7, creating a 30-Member Citizens' Committee for Public Buildings and the appointment of members thereto was introduced for adoption at the Albany City Council meeting, Monday night, February 25.

The intent of the Resolution was: "WHEREAS, a program for replacement or construction of necessary city buildings shall require financing in large amounts; and

"WHEREAS, the citizens of Albany will be directly affected by any financing program for construction of necessary public buildings.

"Now, Therefore, the Council of the City of Albany does resolve as follows:

"That attached hereto, and made a part hereof, is a list of the thirty (30) members as appointed by individual members of the Albany City Council, who are appointed to act as members of a citizens' committee to investigate and submit ideas and recommendations to the City Council relative to public buildings, their financing, their construction, reconstruction or replacement, the locations thereof, and the manner and means of submitting a program for such construction or replacement, for the approval by the City of Albany."

At the time of adoption, Mayor Joel Parker Jr. pointed out that this committee was not so designated as a "Mayor's Committee", but was a thirty-member citizens' committee appointed by the City Council in its entirety to act objectively without influence of Council or civic groups.

Other action of the Council included recommendation or opposition on various Bills before the Legislature: recommendation of Senate Bill 344, reallocation of gas tax monies; opposition to Senate Bill 263, change of percentage distribution of highway monies; opposition to Senate Bill 351, exempting educational facilities from public domain usings; no action on Senate Bill 11, recommending it be left to the vote of the people.

The Council endorsed the initiative (Continued on Page 3)

AHTA Discusses Civic Issues — Plans Action

The overflowing Banquet Room at Serb's Restaurant, 1045 San Pablo Avenue, was the scene of the Albany Homeowners and Taxpayers regular monthly meeting, Tuesday evening, February 19.

The enthusiastic crowd gathered to hear Mr. Carroll H. Nichols, Chief Deputy Assessor, Alameda County, who spoke on the subject of "How Properties are Assessed."

Business discussed consisted of a report from the Committee opposing Proposition A. According to the report, reconsideration of Rapid Transit looks brighter than it has in the past, although there is still a lot of hard work ahead if Rapid Transit is to be defeated as proposed in Proposition A.

Also given was a short report on the proposed increase in rates that is being asked by the Oakland Scavenger Co. which will affect the citizens of Albany. Further studies are being made by the committee.

A short report was given by the committee on either a newsletter or newspaper to be published monthly and distributed to each homeowner with informative items of interest to each and every homeowner and taxpayer.

Permission was granted to the Board of Directors to draw up a resolution which would call for all General Bond Issues to remain at the two-thirds majority vote, copies to be sent all City, County and State Representatives.

Plans are being made for a fund raising party, which will be held within the next ninety days.

Eight new applications for membership were approved by the committee and association membership and admitted as permanent members.

The next regular monthly meeting was announced by the president, Mr. William W. Culley Jr., to be held at Serb's Restaurant, 1045 San Pablo Avenue, March 19, at 8 p.m. Everyone is invited to attend.

YES, JOHN, ON ICE!

The Pacers were in training for the California speed skating championship which was held on February 26 and 26 at Anaheim, Calif.

OAKLAND'S PHONE DIRECTORY AREA IS GRADUALLY CHANGING TO ALL-NUMERAL NUMBERS

Dialing itself doesn't change. It's really simple—you just dial numbers instead of letters. The numbers correspond to the same dial openings as the letters they replace.

Growth is the reason for the change. As more and more families get telephones, usable letter combinations for prefix names are used up. Going to an all-numeral system will help make enough phone numbers available to keep up with this growth.

The switch is gradual. Anyone getting service for the first time, moving to a new address or getting a new phone number in the area served by the Oakland telephone directory, is now being given an all-numeral number. All other numbers will be converted during the next few months. During this conversion, Information Operators will give out some numbers with numerals and others with letters.

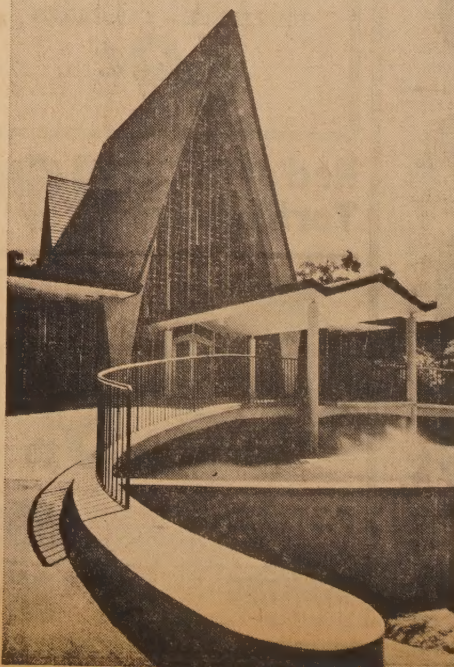

All numbers will soon be all-numeral. By the middle of May, everyone in the Oakland directory area will have received a new number card for the telephone dial. This card will show the all-numeral phone number. (The Area Code shown is only for people calling you from outside your area.)

If you have any questions about All-Number Calling, please call your business office.

Senior Citizens

The Senior Center is a busy place these days with all the activities in progress. Hub of the activity now is centered around the coming Bazaar. Mary Arns and Stella Chandler, co-chairmen, have announced that the purpose of the Bazaar is two-fold; to raise money for the Center, and by the community effort, to become better acquainted with each other. Pillow cases, aprons, sofa pillows, jewelry, objects of art, books, dishes, baked goods and white elephants will be on sale. Mystery packages will also be a feature of the sale. A tasty luncheon will be served that day. The ladies will welcome contributions from anyone who has good saleable articles to donate. Bring them to the Center or call 526-1601 and pick-up will be arranged. The date of the Bazaar is March 15.

An overnight trip to Reno with the Richmond Senior group is on the agenda for Wednesday, March 26-27. If you would like to get out with a group of other fun loving seniors, forget the long winter, enjoy a scenic ride and browse around the Biggest Little City in the World, contact John Hunt, 232-6140 or Jean Samuelson, 526-1601 for information.

Mrs. Dorothy Fell and Anne Koche instructed classes in flower making last Thursday after which movies were shown with Tiny Kampe at the projector.

On Friday evening, March 8, 7:30 p.m., a program will be presented by Jean's Dance Studio from El Cerrito. Refreshments

will be served. Co-chairmen will be Mary Arnes and Henry Ingraham.
